The **LIVE FREE!** conference presents the five keys to freedom as taught by Neal Lozano in *Unbound: A Practical Guide to Deliverance*.

This model of deliverance ministry is about

ENCOUNTER with Jesus

EDUCATION for discipleship

EMPOWERMENT for mission

Therefore, Unbound ministry is not only for certain individuals experiencing serious issues. It's for all of us.

Unbound ministry is about freedom: freedom to be who we really are, freedom to live the life we were meant to live, freedom to know love and freedom to give love.

Unbound is about belonging wholly to God and to *nothing* else.

"It works! I was different after the Live Free! conference. I would say something, and then I would think, 'Is that really me talking?'"

"The conference brought me back to the day of my ordination."

"I feel really alive for the first time."

"I've been in counseling and spiritual direction for 15 years, but I never knew so much restoration was possible. Unbound is such a gift!"

"I feel 100 pounds lighter!"

Five Keys to Freedom

Key One

Repent for your sins and **believe** in Jesus.

Key Two

Forgive others ... and yourself.

Key Three

Renounce the work of Satan, his influence in your life.

Key Four

Stand in the **authority** of Jesus Christ and say no to evil.

Key Five

Receive the Father's **blessing** on your identity and destiny.

At the **Live Free!** conference, participants not only receive teaching on each of Lozano's five keys, but also have the opportunity to pray through each one during short times of ministry.

John and Michelle Kazanjian

The Kazanjians serve as lay missionaries with Renewal Ministries in Ann Arbor, Michigan. They own a business serving students at the University of Michigan during move-in and move-out, and they have five grown daughters who are busy adding sons and grandkids to the family.

From Peter Herbeck,

missionary, author, speaker, and radio host of "Crossing the Goal" and "Fire on the Earth"

"I'm honored to be able to offer this endorsement on behalf of John and Michelle Kazanjian. They have been effective instruments of God's grace to bring about healing and freedom in the lives of many people suffering from various levels of spiritual bondage and oppression.

Over the past number of years they have become key leaders and important teachers of the Unbound model of prayer ministry. They have successfully trained hundreds of clergy and lay leaders in the application of the five keys which are the heart of this pastorally sound model of deliverance prayer.

John and Michelle are a gift to the Church and together are a powerful example of the kind of 'missionary disciples' Pope Francis has told us that all the baptized are called to be."
